YOU'RE BILIOUS AND COSTIVE!—CASCARETS

Sick Headache, Bad Breath, Sour Stomach, mean Liver and Bowels Clogged—Clean up tonight!

Get a 10-cent box now.
Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a still barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your congested bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.—advertisement.

OVER-NIGHT FEDERAL WIRELESS To the Advertiser

President Huerta today instituted a reign of terror when he ordered the arrest of 110 members of the Chamber of Deputies who had signed resolutions threatening Huerta that they would abandon the capital on the ground that they lacked guarantees of personal safety.

The resolution was due to the disappearance of Senator Belisario Dominguez, who denounced Huerta as an assassin in a speech at a secret session of congress on September 22.

The friends of the senator, believing that he had been assassinated, started an investigation which convinced them that their belief was well founded.

Finally determining that a bold front might overthrow the president, the deputies re-assembled and signed the resolution which was transmitted to Huerta.

"They fear for their personal safety, I will put them where they will be safe," Huerta is reported to have informed friends of the men arrested.

Sift, diaphanous, and showall skirts, were condemned at a meeting of the executive board of the Washington federation of women's clubs representing seven thousand women.

Mrs. William Hints, Mrs. Belva Lockwood, Mrs. Appleton Clarke Dr. Enora C. Folkmann, and Mrs. Geo. T. Smallwood led the discussion.

Two emergency loans, both for \$9,733,000, have just been negotiated in Europe, one by the federal government of Brazil to pay for material and supplies contracted during the year, and the other by Sao Paulo state government to assist the planters in that state to move the coffee crop. Both of these financial emergency measures, it is believed, will afford relief to merchants in Rio de Janeiro and Sao Paulo, whose business recently has been paralyzed owing to the scarcity of money in Brazil and the difficulty of securing advances from the banks at reasonable rates.

BY AUTHORITY

PROCLAMATION

ARBOR AND CONSERVATION DAY.
The practice, now widespread on the mainland, of setting aside one day each year as Arbor Day, began in Hawaii eight years ago. Since then, here as well as elsewhere, the larger movement for the conservation and development of all natural resources, of which Arbor Day represents only one phase, has made great progress. Four years ago, in consequence of the quickening of the public conscience and interest in these matters and the practical results therefrom in the inauguration and extension of active work along these lines, the scope of the day was enlarged.

Accordingly, I hereby designate Friday, the 14th day of November, 1913, as Arbor and Conservation Day for the Territory of Hawaii and recommend that on that day appropriate exercises be held in all the schools of the territory and that a part of the day be devoted to the planting of trees and shrubs.

Given under my hand and the Great Seal of the Territory of Hawaii, at the Capitol in Honolulu this 10th day of October, A. D. 1913.
